

WE FOUGHT TERMINATION

- Call for Actors

This is a play about the termination effort in 1954. The Senate and House had a bill introduced to terminate the treaty rights of over 100 tribes and the Prairie Band was one of the these to be terminated. Through the efforts of Minnie Evans, Tribal Chairperson, and the entire community, the Prairie Band was not included in the terminations that happened across Indian Country.

This is a call for 2 speaking women roles and 4 speaking men roles. Actors will be requested to introduce themselves in Potawatomi Language. The Language Department has agreed to help us with this.

Each actor needs to have read the actual senate testimony by the interview to familiarize themselves about the background of the play. Testimony is available online on tribal website. Approximately 8 Rehearsals will occur in May, June and July. Performances will be July 20, 2018; August 1, 2018; and August 4, 2018.

The play also calls for Extras. These are non-speaking roles and will be in 1st and 3rd Act of the play.
