

Prairie Band Potawatomi Tribal Police House/Business Watch Request Form

The Prairie Band Potawatomi Tribal Police Department strives to make the community we work for safe and crime free. However, our law enforcement officers routinely respond to calls in progress that require immediate attention and may take up an entire shift to resolve. With that said, the police department will make every effort to check your home and property as time allows. The police department cannot and will not guarantee your property will be free from damage, theft, or other forms of crime. The police department suggests that community members secure their property with locks, and or security alarms, and request that trusted family or neighbors check your property as often as possible.
