

Join GIRL SCOUTS and Join the FUN!

Families welcome to any & all events...

Experience what you can do in our Outdoor Program with an indoor slingshot or fishing activity.

Girl Scouts will receive a patch and giveaways at each event!

Put your creative and innovation skills into action through STEAM by making a balancing robot, balancing hearts or marble maze.

Make a difference for our furry friends by making a dog toy to donate.

Discover what it means to be a Girl Scout entrepreneur by going behind the scenes of our Cookie Program.

We hope your family can join us!

Want to become a Girl Scout but can't attend an event?
