RE: Impact Aid

In keeping with our practices regarding the Indian Policies and Procedures (IPPs), we are writing to share with you some items that were proposed and added to the 2018-2019 and 2019-2020 budgets.

At the meeting on November 6, 2018, Melinda Williamson asked if the Impact Aid Advisory Committee could provide support such as resources and materials for the language program at the elementary school. This proposal was considered and approved. \$3,000.00 was added as a budget line item for Native American Language Supplies at the following meeting (February 12, 2019).

On February 12, 2019, the Impact Aid Advisory Committee met again. A motion was made to add \$5,000.00 to the budget for middle school enrichment supplies to be used for activities such as robotics, coding, and math club. Motion was passed. Anita Evans motioned and seconded by Raphael Wahwassuck to approve \$8,000.00 to help with cost for a District Social Worker to next year's budget. After a time for discussion and questions, Mr. Davis asked for approval by the committee of a working budget for the Impact Aid Fund of \$97,130.00 for the 2018-19 school year. Motion passed unanimously.
