Dear Chairperson Rupnick:

Thank you for submitting The Prairie Band Potawatomi Nation's hemp plan for the U.S. Department of Agriculture's (USDA) review and approval.

We have reviewed your hemp plan and found it to be in compliance with the requirements in Subtitle G of the Agricultural Marketing Act of 1946, 7 U.S.C. §§ 1639o – 1639s, and the implementing regulations at 7 CFR part 990. This letter serves as USDA's approval of the Prairie Band Potawatomi Nation's hemp plan. With the approval of your hemp plan, the Prairie Band Potawatomi Nation has assumed primary regulatory responsibility for hemp production within its jurisdiction. If you would like to amend your hemp plan, please review 7 CFR § 990.4(b) for specific requirements.

Please reach out with any questions you might have while implementing Prairie Band Potawatomi Nation's hemp plan. You can contact us at (202) 720-2491 or farbill.hemp@usda.gov. The most up-to-date information on hemp production can be found here: www.ams.usda.gov/rules-regulations/hemp.
