

PBPN Social Services Announcement

Starting June 1, 2020 The following changes will be made at PBPN Social Service Dept:

The department will be open to the public by **appointment only**

Visitors and clients will now enter through the East entrance only

- You will need to call your worker prior to arriving & please wait in your vehicle
- You will be symptom checked over the phone and your temperature will be taken before you can enter the building
- You must have a mask to enter the building, if you do not have one let your worker know prior to entrance and they can provide you with one

Drop-ins and intakes will be seen on a case by case basis, you will need to contact your worker and/or the community liaison @ (785) 966-8331

There is limited seating in the lobby, please have your family/ride/visitors wait outside the building

- Elderly and minor children can have one visitor accompany them in the department if assistance is needed

The door between the health center and social services will be closed; you **will not** be permitted to enter at this entrance

If you have any questions please call (785)966-8331.

Thank you!
