## OUR PHILOSOPHY

Our goal at the Boys and Girls Club of the Prairie Band Potawatomi Nation is to help prepare our members to be LEADERS of TOMORROW. By doing so, we encourage positive attitudes, education, good sportsmanship, culture, and friendship. Our aim is to empower boys and girls with the skills needed to face all types of challenges that they may encounter.

The Boys and Girls Club of the Prairie Band Potawatomi Nation bases its programs on membership, promoting indigenous culture, community involvement, and its recognized role as an advocate for youth.

The Boys and Girls Club of the Prairie Band Potawatomi Nation is aware of the influences of the total environment and provides youth with relevant, everyday, varied and diversified individual and group services - based on proven principles of youth development - which will achieve the health, social, education, vocational, character and leadership development of our membership.
