ADDENDUM NO. 1

“PBPN Road Repair, Full Depth Replacement”

RFP# 2022-CM007

1. Notice to Respondents

The Request for Proposal (RFP) is modified as set forth in this Addendum. This addendum shall hereby be made a part of the RFP documents and is issued to change, amplify, or delete from or otherwise explain these documents where provisions of this addendum differ from those of the original documents. This addendum shall have precedence over the original documents and shall govern.

2. Pre-Bid Conference Questions and Answers

The following information is provided as a matter of information to clarify issues raised about the RFP. To the extent that changes to the RFP are required based on the questions received, the RFP has been modified as noted.

2.1. Questions:

Q1. The scale of the prints are not correct.

A1. Please see Attachment “A” of this addendum for updated drawings with corrected Scale.

Q2. Rock Excavation.

A2. Plan rock excavation as a typical excavation when this is discovered during construction. Upon discovery of rock ledges during project, contact PBPN Engineer of record to provide detailed instruction for excavation and installation.

Q3. Do you know if you will be using concrete for the full depth replacement on the PBPN Road Repair, Full Depth Replacement project? If you are would you please let me know the square yardage and thickness?

A3. Concrete will not be allowed as an alternate for the project. Project is to be bid as per the construction drawings and specifications provided with the RFP.

The following changes have been made to the RFP:

Updated drawing has been included which has the corrected scale.

CONFIDENTIALITY

The Contractor shall maintain all non-public information secured in connection with any contract with PBPN in strict confidence, with disclosure only to individuals as needed to perform under the contract and on a need-to-know basis.

All other provisions shall remain in their entirety.
