

MISSION STATEMENT

The Prairie Band Potawatomi Nation Behavioral Health Program recognizes that substance use disorders and behavioral health problems reduce the overall quality of human life. It is our mission to provide prevention, intervention, and the resources necessary to ensure quality care.

The Alcohol & Drug Recovery Program originated in 1989 and has faithfully served our Nation and surrounding area for over 25 years.

Do I have a problem?

CAGE-AID Questionnaire

1. Have you felt you ought to cut down on your drinking or drug use?
2. Have people annoyed you by criticizing your drinking or drug use?
3. Have you felt bad or guilty about your drinking or drug use?
4. Have you ever had a drink or used drugs first thing in the morning to steady your nerves or to get rid of a hangover (eye-opener)?

If you answered 'yes' to 2 or more to the questions then further evaluation is indicated.

PHILOSOPHY

The Prairie Band Potawatomi Nation Behavioral Health Program utilizes diverse treatment approaches including the biological/psychological/social/spiritual model of addictive disease, the Developmental Process of Recovery, self-help programs, motivational interviewing, strength-based methods, Red Road approach and behavioral health therapy. We recognize the importance of our clients reconnecting with community, culture and their spirituality as an essential component of recovery.

POPULATION

The Behavioral Health Program of the Prairie Band Potawatomi Nation serves the Potawatomi Reservation and all Native Americans in the surrounding areas. We are located on the Potawatomi Reservation in the PBP Health Center. The Behavioral Health Program is organized under the Prairie Band Potawatomi Health Clinic.
